## LEGAL NOTICE

To be published two (2) times in The Bonham Daily Favorite: Tuesday, February 23 and Wednesday, February 24, 1988.

### TO ALL INTERESTED PERSONS AND PARTIES

You are hereby notified of the opportunity for written public comment concerning the Special Permit Application No. S-18612 by F.J. Doyle Scrap Metal to construct a heat cleaning oven in Leonard, Fannin County, Texas. The proposed location is 50 feet west of Poplar and 120 feet south of Cottonwood. Additional information concerning this application is contained in the public notice section of this newspaper. This facility proposes to emit the following air contaminants: Particulate matter, sulfur oxides, nitrogen oxides, Volatile Organic Compounds and carbon monoxide. Before a permit can be issued for this facility, all emission sources must demonstrate compliance with all Rules and Regulations of the Texas Air Control Board and all applicable Federal Regulations. This includes the application of "best available control technology" to each emission source and compliance with all ambient air quality standards.

A copy of all materials submitted by the applicant is available for public inspection at the Texas Air Control Board Fort Worth regional office at 6421 Camp Bowie Boulevard, Suite 312, Fort Worth, Texas 76116, telephone (817) 732-5531 and at the Texas Air Control Board, 6330 Highway 290 East, Austin, Texas 78723. All interested persons may inspect these materials and submit written comments to the Executive Director of the Texas Air Control Board. Any person who may be affected by the emissions of air contaminants from the facility may request a contested case hearing from the Board pursuant to Section 3.27(c) of the Texas Clean Air Act. All comments and hearing requests must be received in writing by March 10, 1988. All written comments submitted to the Executive Director shall be considered in determining whether to issue or not issue the permit. All comments will be made available for public inspection at the Texas Air Control Board office in Austin.
